

Try To Catch Up With The World
Adam Gontier

Intro: **D Em D Em**

Verso 1:

D
Sam, the weak accomplice
Em
He knew he had a choice
D
He always startled easily
Em
With the sound of every voice

D
A pocket full of excess
Em
They take and take and take
D
Left him with a trigger pointed
Em
Staring at his shakes

D
And it goes on
Em
And it goes on

Verso 2:

D
She was given nothing
Em
But their selfish lack
D
They sleep with one eye open
Em
Cause they know she s coming back

D
But she will wait her turn
Em
Absent from concern
D
The furnace inside her
Em
It burns and burns and burns

D
And it goes on
Em
And it goes on

Chorus

Em D
Weaklings never practice
Am
What they preach
C
They cower down below
Em
That s what you call defeat
D
And in their darkest hour
Am
It s hard to breathe
C
We try to catch up with the world
Em
But we re so far out of reach
D Em
We re so far out of reach

Verso 3:

D
Leaning in the dark
Em
Stands this faked man
D
Slicing her with is words
Em
Always grabbing her with his hands

D
And it goes on
Em
And it goes on

Em D
Weaklings never practice
Am
What they preach
C
They cower down below
Em
That s what you call defeat
D
And in their darkest hour
Am
It s hard to breathe

C

We try to catch up with the world

But we re so far out of reach

Ponte: **Em D Am C** (2x)

Verso 4:

D

I wish I had warned you

Em

Of this broken path

D

With each step you take

Em

You know there s no turning back

Refrão:

Em

D

Weaklings never practice

Am

What they preach

C

They cower down below

Em

That s what you call defeat

D

And in their darkest hour

Am

It s hard to breathe

C

We try to catch up with the world

Em

But we re so far out of reach

D

We try to catch up with the world

Am

We try to catch up with the world

C

We try to catch up with the world

Em

But we re so far out of reach

D

We try to catch up with the world

Am

We try to catch up with the world

C

We try to catch up with the world

Em (Deixa Soar)

But we re so far out of reach
