

Pleasantries

Adam Green And Binki Shapiro

Binki:

G **C**
What s in between all those pleasantries?
G **C**
How do you think most times

Adam:

C7 **F** **Fm**
I ve been searching for some passion for my actions
C **G** **C**
Now you know that its full price

Binki:

G **C**
You know how and you know why
G **C**
Youâ€™re not the bedroom type

Adam:

C7 **F** **Fm**
Nightly fading, just what are you celebrating?
C **G** **C**
Old fashions burn your short fuse dry

Binki:

G **C**
Whatever this is, the pleasure s all his
F **C**
Endlessly failing my dreams

Adam:

C **Am**
No need to pretend I want you instead
D **G**
To council her excellency

Binki:

G **C**
Canâ€™t be the first to say you re the worst
G **C**
Surely there s one or two

Adam:

C7 **F**
I care more if you act as though you like me
C **G** **C**
Than if you really do

Binki:

G **C**
Living a lie to a song you can't hide
F **C**
The paintings are still in the tube

Adam:

C **Am**
I needed to fall, you need not crawl
D **G**
I punish myself with you

Binki:

G **C**
What was between all those pleasantries
G **C**
What did you hope you'd find?

Adam:

C7 **F** **Fm**
I was waiting for the chance you never gave me
C **G** **C**
I'm still working on my line
