**Adam Green**

Adam Green-Hairy Women

I m sick of people putting chords into lyrics that don t match the rhythm. So I fixed this one. Cheers!

**Bb**

Can I trust this hairy woman,

**Cm**

**F**

to hide out when I m embarassed,

**Dm**

**Gm**

**Cm**

**F**

so embarassed by injustice that shuts doors on hairy women,

---

**Bb**

There s no place inside this romance,

**Cm**

**F**

for a girl that s clearly balding,

**Dm**

**Gm**

**Cm**

**F**

so embarassed by injustice that shuts doors on balding women.

---

**Bb**

**Gm**

We despise the narrow souls we tend,

**Cm**

**F**

the balls of bones that skulls descend,

**Bb**

**Gm**

the shallow pools of lust,

**Cm**

**F**

that drown our tallest women.

---

**Bb**

Though this is a place of business,

**Cm**

**F**

where they pay with mumbo-jumbo,

**Dm**

**Gm**

**Cm**

**F**

I have praise for every fantasy that braves a hairy nipple,

---

**Bb**

**Gm**

We despise the narrow souls we found,

**Cm**

**F**

that haunt us fifteen years from now,

**Bb**

**Gm**

they just have no remorse,

**Cm**

**F**

they shut their doors on women,

**Bb**

I m so embarrassed.
