## The Princes Bed Adam Green

D G

If there s a heart inside your eye

If there s a clock inside your head

O G

If there s a girl outside your bed

Em A

Put your face in my place

Just keep on doing that throughout all the verses, and on the princes bed part;

A G A D

In the prince s bed, in the prince s bed?

G A D

In the prince s bed

 ${\tt A} \qquad {\tt G} \quad {\tt A} \qquad {\tt D}$ 

In the prince s bed, in the prince s bed.
