

What Would Jesus Do
Adam Gregory

F **C** **G**
They stopped saying prayers in school yesterday

F
and there s a boarded up

C
run down church

G
down on third and main

F **C**
The Mission s overflowing

G **Em**
and the crime rate just keeps growing

F
and I m not sure where it s gonna stop.

C
But man, this world is all we got.

D
What would Jesus do in time like these?

Em
Would He walk among the sinners,

fall to His knees?

C
Heal the sick,

G **D**
save lost souls the way He used to?

Would he throw up his hands and just walk away?

Em
cry a tear for a world that s gone astray.

C **Am** **D**
I m not sure, but God, I wish I knew,

F **C** **G**
what would Jesus do?

F **C** **G**
What if He appeared right where you stand?

F **C**
Could you look Him in the eye,

G
reach out and take His hand?

F **C**
Show Him how we are changing this place

G **Em**
day by day with his amazing grace?

F

It does not look like heaven on earth

C

So I have to ask,

it s really enough
