

Infinite Chances

Adam Jesin

Seen alot of Jesin-heads online wanting this tabbed out so here u all go. When he plays live he likes to take it up from D# to E to better suit his register. Personally think it gives the song a better voice but feel free to transcribe down. If you find any mistakes leave a comment always interested in hearing variations.

The first 3 bars of the verse are a hold on E but to jazz it up on acoustic I recommend walking down from Esus4 through E to Esus2 and cycling back up to Esus4. Thats how its tabbed but you can just hold E :P

[Verse 1]

Esus4 **E** **Esus2**
Well Iâ€™m going nowhere, Iâ€™m bored and Iâ€™m unprepared

Esus4 **A** **B**
Waiting for providence to hold my hand

A6/C# **C#m** **A**
Keep telling everyone Iâ€™m on my way

B **E**
But I donâ€™t have a plan

Esus4 **E** **Esus2**
Well I donâ€™t learn lessons, I donâ€™t count my blessings

Esus4 **A** **B**
Itâ€™s the same mistakes over and over again

A6/C# **C#m** **A**
Wondering why consequence wonâ€™t track me down

B **E**
Itâ€™s not a life I can defend

[Chorus]

B C#m **A** **E**
And oh, what a lucky life I lead

B **C#m** **A** **E**
I screw it up but getting infinite chances

B C#m **A** **E**
And oh, aint this life been good to me

B **C#m** **A** **E**
Well I screw it up, and keep getting infinite chances

[Verse 2]

Esus4 **E** **Esus2**
Well I burn my bridges, and donâ€™t ask forgiveness

Esus4 **A** **B**
Itâ€™s not like itâ€™s personal, I just canâ€™t decide

A6/C# **C#m** **A**
Where to look and how to see; what to do or who to be

B **E**
 But Iâ€™ve got time to make things right
Esus4 **E** **Esus2**
 And I break commitments, â€™cause I donâ€™t know my limits
Esus4 **A** **B**
 Delusions of grandeur always on my mind
A6/C# **C#m** **A**
 Itâ€™s not what I would choose; I donâ€™t expect to be excused
B **E**
 But thereâ€™s still time to make things right

[Chorus]

B C#m **A** **E**
 And oh, what a lucky life I lead
B **C#m** **A** **E**
 I screw it up but getting infinite chances
B C#m **A** **E**
 And oh, aint this life been good to me
B **C#m** **A** **E**
 Well I screw it up, and keep getting infinite chances

[Bridge]

B
 Infinite chances (reverb)

[Verse 3]

Esus4 **E** **Esus2**
 Said Iâ€™m going nowhere, Iâ€™m bored and Iâ€™m shit scared
Esus4 **A** **B**
 I get infinite chances almost every day
A6/C# **C#m** **A**
 It doesnâ€™t mean anything when each momentâ€™s lost
B **E**
 And each chance is thrown away

[Chorus]

B C#m **A** **E**
 And oh, what a lucky life I lead
B **C#m** **A** **E**
 I screw it up but keep getting infinite chances
B C#m **A** **E**
 And oh, aint this life been good to me
B **C#m** **A** **E**
 I screw it up and keep getting infinite chances

[Outro]

B C#m **A** **E**
 And oh, what a lucky life I lead
B **C#m** **A** **E**
 I screw it up but keep getting infinite chances
B C#m **A** **E**
 And oh, aint this life been good to me
B **C#m** **A** **E**

I screw it up, BUT I get infinite chances
