Ebm F# B C# x2

VERSE I
Ebm   B
Staring at the ceiling in the dark
                      G#m
Sheets are in a knot
                              C#
My heart is like a rock, hey
Ebm   B
Pictures flashing by inside my head
                      G#m
I m hanging by a thread
                              C#
But I d do it all again, yeah

PRE-CHORUS
Ebm   B
I keep running away, running away, running away from you
     G#m
But I can t stand breaking the chains
                                        C#
Breaking the chains, breaking the chains

CHORUS
         Eb
It s too good
         B   **C#**
 Cause I know the second you go
Want you to bring it on back
G#m   **C#**   **Eb**
Bring it on back, bring it on back to me
        B   **C#**
And you know I want your chokehold
Want you to bring it on back
G#m   **C#**   **Eb**
Bring it on back, bring it on back to me
F# B C#   **Eb**
    Bring it on back to me
F# B C#   **Ebm**
    Bring it on back to me

VERSE II (same chords as VERSE I)
Oh, without your touch I suffocate
Cold asphyxiate
But I kind of like the pain, yeah

Baby, I can smell you on my clothes
I try to stay composed
But I feel the fever grow, grow
