

Evil In The Night

Adam Lambert

Am C Em  
D  
My life flashed before my eyes Razor blade lips and daggers up in your eyes  
Am C Em D  
Baby, your love is a crime Danger by day, but you re evil in the night  
Am C Em

D  
My life flashed before my eyes Bombs over Broadway, f-fire in the sky  
Am C Em D  
Baby, your love is a crime Danger by day, but you re evil in the night  
Am C Em D  
Danger by day, but you re evil in the night  
Am C Em D  
Bombs over Broadway, f-fire in the sky

Am C Em D  
(Hey!) You lit up like a full moon Yeah, I heard you were the baddest on the street  
Am C Em D  
(Hey!) You work it like there s no rules Little criminal, I m calling the police

Am C Em D  
Keep me on a leash tonight There s nowhere for me to hide  
Am C Em D  
See you on the other side

Am C Em  
D  
My life flashed before my eyes Razor blade lips and daggers up in your eyes  
Am C Em D  
Baby, your love is a crime Danger by day, but you re evil in the night  
Am C Em

D  
My life flashed before my eyes Bombs over Broadway, f-fire in the sky  
Am C Em D  
Baby, your love is a crime Danger by day, but you re evil in the night  
Am C Em D  
Danger by day, but you re evil in the night  
Am C Em D  
Bombs over Broadway, f-fire in the sky

Am C Em D  
(Hey!) I can tell your heart s cold Like a fallen angel walking in your sleep  
Am C Em D  
(Hey!) I guess you re just a lost soul But when the moon comes out, you turn into a beast

**Am** **C** **Em** **D**  
 Keep me on a leash tonight There s nowhere for me to hide

**Am** **C** **Em** **D**  
 See you on the other side
