

Map

Adam Lambert

Em G C Em
The dawn is bright and my perception is open wide

G
You know you flooded my senses babe

Em G C Em
What you inspire is a feeling I can't describe

G
Forgotten all my defenses

Em
You were a beam of light

G C
Lit up my broken sky

Em C
There was just something about you

Em G C Em
I had a vision and you painted the world for me

G
And now I'm staying beside you

Em C G
I don't need a wander anymore

D Am
I have found what I've been looking for

Em C G
I don't need a map to know the way

D C D C D
I don't need a map to tell me where I'm at

Em C G D
Now I believe in more than I can see

C
Now I can breathe again

Em C G
I don't need a map to know the way

D C D C D
I don't need a map you're always like a path
