## Map Adam Lambert $\mathbf{Em}$ Em The dawn is bright and my perception is open wide You know you flooded my senses babe What you inspire is a feeling I can t describe Forgotten all my defenses Em You were a beam of light Lit up my broken sky There was just something about you I had a vision and you painted the world for me And now I m staying beside you C Em I don t need a wander anymore I have found what I ve been looking for C I don t need a map to know the way I don t need a map to tell me where I m at Now I believe in more than I can see C

Now I can breathe again
