

Map

Adam Lambert

F#m **A** **D** **F#m**

The dawn is bright and my perception is open wide

A

You know you flooded my senses babe

F#m **A** **D** **F#m**

What you inspire is a feeling I can't describe

A

Forgotten all my defenses

F#m

You were a beam of light

A **D**

Lit up my broken sky

F#m **D**

There was just something about you

F#m **A** **D** **F#m**

I had a vision and you painted the world for me

A

And now I'm staying beside you

F#m **D** **A**

I don't need a wander anymore

E **Bm**

I have found what I've been looking for

F#m **D** **A**

I don't need a map to know the way

E **D** **E** **D** **E**

I don't need a map to tell me where I'm at

F#m **D** **A** **E**

Now I believe in more than I can see

D

Now I can breathe again

F#m **D** **A**

I don't need a map to know the way

E **D** **E** **D** **E**

I don't need a map you're always like a path
