```
Master Plan
Adam Lambert
```

Hey guys ... Sometimes I m not really sure about it (maybe only because my voice

refuses to take the high notes i-) ...) But: there you go ...

Intro

F#-F#-E-B-F#-F# 3x

A-A-G#-G

Verse 1

F# E B F#

You run away from everything that you fear

E B F

So afraid, don t wanna be a part of it

E B F#

You see the fake in every thing that is real

F#m

You hate the paradox

E B

You put us in a box

Verse 2

F# E B F#

We don t define what makes us right or wrong

E B F#

Waste of time, no, we re just living it

E BF#

I wanna see you, touch you one-on-one

F#m

Won t stop until we re done

E(once)

We ve only just begun

Chorus

F#m A E

We are the face of a new generation

F#m A E B

We are the ones who have no reservation

F#m A E B

Don t give a damn bout your cold calculation

Α

Welcome to the Master Plan

G# G

```
Don t care if you understand
F#m
Don t care if you understand
F#m
             E
Welcome to the Master Plan
Verse 3
F#
Your skin is burning at the sight of me
               E
Your mask can t hide what you re thinking
          ----N.C.---- E
                                        В
                                              F#
Don t ask (don t tell), just take what you ne - ed
F#m
I m an open book
So come and take a look
Chorus
D-C#-A
Bridge
There s you
C#
There s me
F#m E
I feel your energy
D C#
I hope you ll see
Things ain t what they used to be
Look at the face
Look at the face
F#-F#-E-B-F# F#
Chorus
      E
Don t care if you under -
```
