

Music Again
Adam Lambert

G

Eb G

I want your body, mind, soul, et cetera

Eb G C G# G

And one day you ll see, you should give it to me

Eb G

And I don t want anyone instead of ya

Eb G C G# G

Oh babe I m goin crazy, come on and give it to me

Eb G

And I ain t never met nobody better-er

Eb G C G# G

You re someone else s baby

F F E G A

I m so sick of living for other people

F

Took meeting you to realize

F F E G A

I don t wanna lose ya, I wanna keep ya

Eb

Put your little hand in mine and

G

Look into my eyes, baby

C E F E F

eyes

A A G G G

Oh you make me wanna listen to music again

C E F E F

A A G G G

Yeah you make me wanna listen to music again

There had been many moons before I met ya

And I ain t going nowhere

And now you give me back my raison d Åatre

And I m inspired again

And I know in some ways we re kinda evil

Got my roots and you ve got ties

But my heart s no stranger to upheaval

Put your little hand in mine and
Look into my eyes, baby eyes
Oh you make me wanna listen to music again
Yeah you make me wanna listen to music again

A F C

Ahhh music again

C

Look in to my eyes very eyes

A F C

I just wanna listen to music again

Oh yeah oh yeah oh yeah wooh oh hey!

I m so sick of living for other people
Took meeting you to realize
I don t wanna lose ya, I wanna keep ya

Put your little hand in mine and
Look into my eyes very eyes, whoa
Oh you make me wanna listen to music again, whoa
Yeah you make me wanna listen to music again, whoa
Oh you make me wanna listen to music again, whoa
Yeah you make me wanna listen to music again
