

Never Close Our Eyes

Adam Lambert

Fm **D#** **A#**
I wish that this night would never be over
Fm **D#** **A#**
There s plenty of time to sleep when we die
Fm **D#** **A#**
So let s just stay awake until we grow older
G# **C** **C#** **A#** **C**
If I had my way we d never close our eyes, our eyes, never!

Fm **D#** **A#**
I don t wanna let a minute get away
Fm **D#** **A#**
Cause we got no time to lose
Fm **D#** **A#**
None of us are promised to see tomorrow
Fm **D#** **A#**
And what we do is ours to choose

C#
Forget about the sunrise
D#
Fight the sleep in your eyes
Fm
I don t wanna miss a second with you
C#
Let s stay this way forever
D# **A#**
It s only getting better if we want it to

Fm **D#** **A#**
But you know that I wish that this night would never be over
Fm **D#** **A#**
There s plenty of time to sleep when we die
Fm **D#** **A#**
So let s just stay awake until we grow older
G# **C** **C#** **A#** **C**
If I had my way we d never close our eyes, our eyes, never!

Fm **D#** **A#**
It s so hard to think this would fade away
Fm **D#** **A#**
But what goes up must come down
Fm **D#** **A#**
Why can t we just live life with no consequence
Fm **D#** **A#**
That no way living the now
