

No Boundaries

Adam Lambert

D

Seconds hours so many days

A

You know what you want but how long can you wait

Bm

G

Every moment last forever if you feel you've lost your way

D

What if your chances are already gone

A

Started believing that I could be wrong

Bm

But you give me one good reason

G

to fight and never walk away

Bm

G

Coz hear I am - still holding on! (YEAH!)

D

Every step you climb another mountain

A

Every breathe its harder to believe

Bm

You'll make it through the pain (or through all your aches and pains)

G

Weather the hurricane

A

To get to that one thing

D

When you think the road is going nowhere

A

Just when you've almost gave up on your dreams

Bm

G

A

Then take it by the hand and show you that you can

Bm

You can go higher

A

You can go deeper

Bm

There are no boundaries

A

Above and beneath you

Bm

A

Break every rule coz there's nothing between you

G

and your dreams

D

Every step you climb another mountain

A

Every breathe its harder to believe

Bm

You'll make it through the pain (or through all your aches and pains)

G

Weather the hurricane

A

To get to that one thing

D

When you think the road is going nowhere

A

Just when you've almost gave up on your dreams

Bm

G

A

Then take it by the hand and show you that you can

D

A Bm G

Cuz there are no boudaries!

G

There are no boudaries?
