

Take Back
Adam Lambert

Capo 1st. fret

Em G D F#

Em
All you ever think is gimme gimme
D Em

But you never give back

Em
All I ever do is overthink and drink
D Em

Until I attack

Em
We know how to talk it into the ground

D Em
We know how to wear it out

Em
If we aint gon save it, gonna end up in the grave
D Em

And baby

Em
How do we take back

G
Whats been done,
D F#
Whats been said? Oh my...

Em
How do we take back

G
Cause no one wins
D F#
When love breaks down, we both die

Em G
And I would give anything

D
Just to chase the dark away

F#
And start all over again

Em

How do we take back

G

Whats been done,

D **F#**

Whats been said? Oh my...

Bm

I fed you a fantasy

D **Em**

But you been drunk on reality

Bm

All you want is to be wanted

D **Em**

Long as ya get it outta me

Bm

We used to be a jungle, sticky and wild

D **Em**

It used to be we owned the night

Bm

All the stupid games were playing

D **Em**

All the shit that weve been saying

Bm

How do we take back

G

Whats been done,

D **F#**

Whats been said? Oh my...

Bm

How do we take back

G

Cause no one wins

D **F#**

When love breaks down, we both die

Bm **G**

And I would give anything

D

Just to chase the dark away

F#

And start all over again

Bm

How do we take back

G

Whats been done,

D **F#**

Whats been said? Oh my...

Bm **A**
Remember, remember

Bm **D**
The first time we collided?

G **A**
We lost it, we lost it

Bm
How do we take back

G
 Whats been done,

D **F#**
 Whats been said? Oh my...

Bm
How do we take back

G
 Cause no one wins

D **F#**
 When love breaks down, we both die

Bm **G**
And I would give anything

D
Just to chase the dark away

F#
And start all over again

Bm
How do we take back

G
 Whats been done,

D **F#**
 Whats been said? Oh my...

Bm **G** **D** **A**
 How do we take back?
