

The Light
Adam Lambert

D Am
G
I m the rush of a bleeding heart I m the bruise of a rough start
D Am F G
I m the dust that ignites the spark Oh, man, I was dark
D Am
G
They say that I m blue like the night sky That I m too weird to live, too rare
to die
D Am F G
I tried to blow my mind a million times But I got a light
D Am C
And it s burning still And it s burning still
D Am F G
Yeah, it s burning still And it s burning
D Am Am Am
D Am
I am the light I am the light The light, the light, the light, the light, the
light
D Am C
I am the fire and you are the rain Washing me out, you drown my flame
D Am F G
I am the fire and you are the rain Washing me out
D Am C
I am the fire and you are the rain Washing me out, you drown my flame
D Am F G
I am the fire and you are the rain Washing me out
D Am
G
I m a prisoner on the run I am the moon that reflects the sun
D Am F
G
I am unbeaten and I am unwon Oh, man, I was alone
D Am
G
They say that I knew that I m never green That I will rage against the machine
D Am F G
I am never something in between But I got a light
D Am C
And it s burning still And it s burning still
D Am F G

Yeah, it s burning still And it s burning

D Am Am Am

D Am

I am the light I am the light The light, the light, the light, the light, the light

D Am C

I am the fire and you are the rain Washing me out, you drown my flame

D Am F G

I am the fire and you are the rain Washing me out

D Am C

I am the fire and you are the rain Washing me out, you drown my flame

D Am F G

I am the fire and you are the rain Washing me out
