

There I Said It
Adam Lambert

G **B** **Em F**
You say you want the truth, but you can't take it

C Cm **G**
So I give you lies I give you lies

G **B** **Em F**
You say you want the best, but you destroy it

C Cm **G**
So I keep it inside I keep it inside

Em **D**
C
I tell you something It's a double-edged sword you're giving

D
And I can't see the truth in living When we hide behind a wall of fear

Em **D** **C**
And you don't see it It's a twisted dream you believe in

G
D
And what's the use in pretending? Let's make the smoke and mirrors disappear

G **D**
So there I said it And I won't apologize to you anymore

Em **D**
Cause I'm a grown-ass man And I won't live again

C **Bm** **Am**
And I'm sick and tired of living in your shadows

G **D**
So there I said it And I won't apologize to you anymore

Em **D**
Cause I'm a grown-ass man And I don't understand

C **Bm** **Am** **G**
Why I should be living in the shadows So there I said it

G **B** **Em F**
You wanna hear my voice, my mind, my demons

C Cm **G**
But not too much Or you'll give up

Em **D**
