

No One Else Like You
Adam Levine

[Intro] G7+ D7+ A Em7

G7+ D7+
Is everything just right
A Em7
Don't want you thinking that I'm in a hurry
G7+ D7+
I won't stay afraid
A Em7
I had this vision that has got me worried

G7+ D7+
Cause everyone wants someone
A Em7
That's one cliché that's true
G7+ D7+
The sad truth is I want no one
A Em7
Unless that someone's you

G7+
And looks like you
D7+
And feels like you
A
And smiles like you
Em7 G7+
I want someone just like you
D7+
Through and through
A
I'm forever blue
Em7
Because there's no one else like

G7+ D7+
I hope that you're not mad
A Em7
You always said you want a man of action
G7+ D7+
I'm not the hottest lad
A Em7
There's more to life than physical attraction

G7+ D7+
You got your special someone
A Em7

But between me and him, guess who
Will spend their whole life waiting
For someone just like you

And looks like you
And feels like you
And smiles like you
I want someone just like you
Through and through
I m forever blue
Because there s no one else like

(G7+ D7+ A Em7)

I want you in my heart
I see you in my dreams
I know I make you mad
As crazy as it seems

Just you, yes you, yes you
I need someone just like you
Love me true
I m forever blue
Cause there s no one else
There s no one else
There s no one else
There s no one else
There s no one else
There s no one else

There s no one else

A **Em7**

I need your help

G7+ D7+

Cause you re so far

A **Em7**

You re so far

G7+ D7+

Cause you re so far

A **Em7**

You re so far

G7+ D7+

Cause you re so far

A **Em7**
