Capo: 1
[Verse 1]
It s midnight at a liquor store in Texas
Closing time another day is done
When a boy walks in the door and points a pistol
He can t find a job, Lord he s found a gun
[Verse 2]
He pulls it off with no trace of confrontation
Then he lets the old man run out in the street
Even though he knows they ll come with guns a blazing
And already he can feel that great relief
[Chorus]
Oh how many travelers get weary
Bearing both their burdens and their scars
Don t you think they d love to stop complaining
Fly like eagles out among the stars
[Verse 3]
He pictures the arrival of the cruisers
Sees that old familiar anger in their eyes
He knows that when they re shooting at this loser
They ll be aiming at the demons in their lives
[Chorus]
Oh how many travelers get weary
