intro: C F x4
well I m the kind of guy who can t stand a holiday
so I drink em all away. That s me!
oh, I don t decorate no trees, and I wont eat no potato latkes.
But I ll give this old lady s melons a squeeze,
That s just who I am.
Well, I ll never spin a dreidel but I ll always throw an egg
Then I ll Charlie horse your leg for laughs
While you re singing your holiday tune
I {\tt m} acting like the town buffoon
Whippin out my big , white, scary moon
And blowin a beef your way
I hate folks who think reindeer are cute
To me they re just something to shoot
I hate love, I hate you, I hate me
Well, I m a snowmobile stealin
No chance for season feeling kind of guy
This time of year sucks so I take my numb-chucks
And make sure every snowman die
