(SPEAKING SECTION) (piano plays verse chords)  
Dear Santa, I know what my problem is, why can?t I be good-  
It?s a fear of intimacy. You see my whole life when I met  
someone really great like you; I feel I keep getting to close  
to them. Something inside me makes me want to screw it up.  
So in a weird way, the reason I am so bad is?. because I love you.
