

The Flame
Adam Wendler

Adam Wendler - The Flame

Capo 0

[Intro]

D

[Verse]

D

I left you with a message of doubt

D **Bm**

stand beside me until that fire goes out

A **G** **D**

cause time won t wait for me

D

Autumn sweeps in

D

and leaves just the same

D **Bm**

makes its mark but two can play this game

A **G** **D**

cause time won t wait for you

A **G** **A** **D**

and all those things you didn t do

[Bridge]

Bm **A** **G** **D**

Ohhhhhh the light hides high above the clouds

Bm **A** **G** **D** **Bm**

and the nights we knew are long forgotten now

[Chorus]

A **D**

It was nothing but a flame that went out

Bm

just burning and burning down

A **D**

It was nothing but a flame that went out

[Verse]

D

walk a long road through that cold winter chill

Bm

feel the warmth come from over the hill

A G D
just for you now

D
Stand beside me

D
feel that lust in the air

D Bm
pollinated by the weight that we carry

A G D
on our shoulders now

A G A D
Shed that heavy load somehow

[Bridge]

Bm A G D
Ohhhhhh the light hides high above the clouds
Bm A G D Bm
and the nights we knew are long forgotten now

[Chorus]

A D
It was nothing but a flame that went out
Bm
just burning and burning down

A D Bm
It was nothing but a flame that went out

A D
Melt the candle, use hot wax to cover my mouth

Bm
I m not speaking, not speaking, nooo

A D Bm
that fire s gone out

A D
It was nothing but a flame that went out
Bm
just burning and burning down

A D Bm
It was nothing but a flame that went out

A D
Melt the candle, use hot wax to cover my mouth

Bm
I m not speaking, not speaking, nooo

A D Bm
that fire s gone out

A G D
That fire s gone out.
