C Dm  
Wait, do you see  
Am F  
My heart on my sleeve?

It s been there  
C  
For days on end and  
Dm  
It s been waiting for you  
Am  
To open up  
F C  
Just you baby, come on now  
Dm Am  
I m trying to tell you just how  
F  
I d like to hear the words  
C Dm  
Roll out of your mouth finally  
Am F  
Say that it s always been me

C Dm  
That s made you feel a way  
Am F  
You ve never felt before  
C Dm  
And I m all you need  
Am F  
And that you never want more

C Dm  
Then you d say all

Of the right things

Am F  
Without a clue

C  
But you d save  
Dm

The best for last

Am F  
Like I m the one for you

C  
You should know

Dm Am F  
That you re just a temporary fix

C Dm  
This is not rooted with you

Am F  
It don t mean that much to me

C Dm  
You re just a filler in the space

Am F  
That happened to be free

C  
How dare you think

Dm  
You d get away

Am F  
With trying to play me

Keep: C Dm Am F

Why is it everytime  
I think I ve tried my hardest  
It turns out it ain t enough  
Cause you re still  
Not mentioning love  
What am I supposed to do  
To make you want me properly?  
I m taking these chances  
And getting away  
And though I m trying  
My hardest you go back to her  
And I think that I know  
Things may never change  
I m still hoping one day  
I might hear you say

I make you feel a way

You've never felt before  
And I'm all you need  
And that you never want more  
Then you'd say all  
Of the right things  
Without a clue  
But you'd save  
The best for last  
Like I'm the one for you

You should know  
That you're just a temporary fix  
This is not rooted with you  
It doesn't mean that much to me  
You're just a filler in the space  
That happened to be free  
How dare you think  
You'd get away  
With trying to play me

But, despite  
The truth that I know  
I find it hard to let go  
And give up on you  
Seems I love the things you do  
Like the meaner you treat me  
The more eager I am  
To persist  
With this heartbreak  
And running around  
And I think that I know  
Things may never change  
I'm still hoping one day  
I might hear you say

I make you feel a way  
You've never felt before  
And I'm all you need  
And that you never want more  
And we'll say all  
Of the right things  
Without a clue  
And you'll be the one for me  
And me the one for you
