[Intro]

**C** **Fmaj7** **C** **Fmaj7**

[Verse]

**C** **Fmaj7**  
So this is how the story went  
**Am** **G**  
I met someone by accident  
**F** **C**  
who blew me away  
**Am** **G**  
who blew me away

**C** **Em**  
It was in the darkest of my days  
**Am** **G**  
When you took my sorrow and you took my pain  
**F** **C**  
And barried them away  
**Am** **G**  
you barried them away

[Chorus]

**Dm** **G**  
And I wish I could lay down beside you  
**C** **Am**  
When the day is done  
**Dm** **G** **Am** **A5** **Am**

And wake up to your face against the morning sun

**Dm** **G**

But like everything I ve ever known

**C** **Am**

you ll disappear one day

**Dm** **G** **C Fmaj7** **C Fmaj7**

So I ll spend my whole life hiding my heart away

[Verse 2]

**C** **Fmaj7**

I dropped you off at the train station

**Am** **G**

And put a kiss on top of your head

**F** **C**

I watched you wave

**Am** **G**

I watched you wave

**C** **Em**

Then I went on home to my skyscrapers

**Am** **G**

Neon lights and waiting papers

**F** **C**

That I call home

**Am** **G**

I call it home

[Chorus]

**Dm** **G**

And I wish I could lay down beside you

**C** **Am**

When the day is done

**Dm** **G** **Am** **A5** **Am**

And wake up to your face against the morning sun

**Dm** **G**

But like everything I ve ever known

**C** **Am**

you ll disappear one day

**Dm** **G** **C Fmaj7** **C Fmaj7**

So I ll spend my whole life hiding my heart away

[Verse 3]

**C** **Fmaj7**

I woke up feeling heavy hearted

**Am** **G**

I m going back to where I started

**F** **C**

The morning rain  
**Am** **G**  
The morning rain

**C** **Em**  
And you know I wish that you were here  
**Am** **G**  
But that same old road that brought me here  
**F** **C**  
Is calling me home  
**Am** **G**  
Is calling me home

[Chorus]

**Dm** **G**  
And I wish I could lay down beside you  
**C** **Am**  
When the day is done  
**Dm** **G** **Am** **A5** **Am**  
And wake up to your face against the morning sun  
**Dm** **G**  
But like everything I've ever known  
**C** **Am**  
You'll disappear someday  
**Dm** **G** **C**  
So I'll spend my whole life hiding my heart away  
**Dm** **G** **C9** **C**  
And I can't spend my whole life hiding my heart away
