

**G E**

I ll be better to you,

Verso 3:

Let me stay here for just one more night,  
Build your world around me,  
And pull me to the light,  
So I can tell you that I was wrong,  
I was a child then, but now I m willing to learn,

Ponte:

But we had time against us,  
And miles between us,  
The heavens cried, I know I left you speechless,  
But now the sky has cleared and it s blue,  
And I see my future in you,

Refrão:

I ll be waiting for you when you re ready to love me again,  
I put my hands up,  
I ll do everything different,  
I ll be better to you,  
I ll be waiting for you when you re ready to love me again,  
I put my hands up,  
I ll be somebody different,  
I ll be better to you,

Ponte:

Time against us,  
Miles between us,  
Heavens cried,  
I know I left you speechless,  
Time against us,  
Miles between us,  
Heavens cried,  
I know I left you speechless,  
I know I left you speechless,  
I ll be waiting,

Refrão:

I ll be waiting for you when you re ready to love me again,  
I put my hands up,  
I ll do everything different,  
I ll be better to you,  
I ll be waiting for you when you re ready to love me again,  
I put my hands up,  
I ll be somebody different,  
I ll be better to you.
