

Million Years Ago  
Adele

Intro: E D#m C# B C#m

I only wanted to have fun  
Learning to fly. Learning to run...  
I let my heart decide the way  
When I was young...  
Deep down I must have always known  
That is would be inevitable  
To earn my stripes I d have to pay!  
And bear my soul

( C#m C#m C#m G# )  
I know I m not the only one  
Who regrets the things they ve done  
Sometimes I just feel it s only me  
Who never became who they thought they d be  
I wish I could live a little more  
Look up to the sky, not just the floor  
I feel like my life is flashing by  
And all I can do is watch and cry  
I miss the air, I miss my friends  
I miss my mother, I miss it when  
Life was a party to be thrown  
But that was a mi-llion years a-go
