

Million Years Ago

Adele

Intro: E D#m C# B C#m

F#m B

I only wanted to have fun

E C#m

Learning to fly. Learning to run...

F#m B

I let my heart decide the way

C#m

When I was young...

F#m B

Deep down I must have always known

E C#m

That is would be inevitable

F#m B

To earn my stripes I d have to pay!

C#m

And bear my soul

(C#m C#m C#m G#)

F#m B

I know I m not the only one

E A

Who regrets the things they ve done

F#m B

Sometimes I just feel it s only me

E A

Who never became who they thought they d be

F#m B

I wish I could live a little more

E A

Look up to the sky, not just the floor

F#m B

I feel like my life is flashing by

E A

And all I can do is watch and cry

F#m B

I miss the air, I miss my friends

E A

I miss my mother, I miss it when

F#m

Life was a party to be thrown

E D#m C# B C#m

But that was a mi-llion years a-go

(E D#m C# B C#m)

F#m **B**
When I walk around all of the streets
E **C#m**
Where I grew up and found my feet
F#m **B**
They can't look me in the eye
C#m
It's like they're scared of me
F#m **B**
I try to think of things to say
E **C#m**
Like a joke or a memory
F#m **B**
But they don't recognize me now
E **C#m**
In the light of day...

F#m **B**
I know I'm not the only one
E **A**
Who regrets the things they've done
F#m **B**
Sometimes I just feel it's only me
E **A**
Who never became who they thought they'd be
F#m **B**
I wish I could live a little more
E **A**
Look up to the sky, not just the floor
F#m **B**
I feel like my life is flashing by
E **A**
And all I can do is watch and cry
F#m **B**
I miss the air, I miss my friends
E **A**
I miss my mother, I miss it when
F#m
Life was a party to be thrown
E D#m C# B C#m
But that was a million years ago
E D#m C# B C#m
