[Intro] Em D A

Em D A Em D A  
I remember all of the things that I thought I wanted to be  
Em D A Em D A  
So desperate, found a way out of my world and finally breathe

Em D A  
Right before my eyes, I saw  
Em D A  
My heart, it came to life  
G A  
This ain't easy, it's not meant to be  
G  
Every story has its scars

D A  
But when the pain cuts you deep  
Em G Em  
And when the night keeps you from sleeping  
D A  
Just look and you will see  
G A  
That I will be your remedy

D A  
When the world seems so cruel  
Em G Em  
And your heart makes you feel like a fool  
D A  
I promise you will see  
G A Em D A  
That I will be, I will be, your remedy

( Em D A )

Em D A Em D A  
No river is too wide or too, deep for me, too swim to you
