Verse 1:

**G#m F#**  
Who wants to be right as rain  
**G#m F#**  
It s better when something is wrong  
**G#m F#**  
You get excitement in your bones  
**G#m F#**  
And everything you do s a game  
**G#m F#**  
When night comes and you re all on your own  
**G#m F#**  
You can say I chose to be alone  
**G#m F#**  
Who wants to be right as rain  
**G#m F#**  
It s harder when you re on top

Chorus 1:

**Bbm Am**  
Cause when hard work don t pay off and I m tired  
**G#m Bbm**  
There ain t no room in my bed as far as I m concerned  
**Abm Bbm**  
So wipe that dirty smile off  
**Am Abm Bbm**  
Weeee won t be making up, I ve cried my heart out  
**Abm Bbm Am G#m**  
And now I ve had enough of love

Verse 2:

**G#m F#**  
Who wants to be riding high  
**G#m F#**  
When you ll just crumble back on down  
**G#m F#**  
You give up everything you are  
**G#m F#**  
And even then you don t get far  
**G#m F#**  
They make believe that everything  
**G#m F#**  
Is exactly what it seems  
**G#m F#**  
But at least when you re at your worst

**G#m** **F#**  
You know how to feel things

(repeat Chorus)

Bridge:

**Abm** **Bbm**  
Go ahead and still my heart to make me cry again  
**Abm** **Bbm**  
Cause it will never hurt as much as it did then  
**Abm** **Bbm**  
When we were both right and no one had blame  
**Abm** **Bbm** **Am** **G#m**  
But now I give up on this endless game

**G#m** **F#**

**G#m** **F#**  
It s better when something is wrong  
**G#m** **F#**  
I get excitement in my bones  
**G#m** **F#**  
Even though everything s a strain  
**G#m** **F#**  
When night comes and I m all on my own  
**G#m** **F#**  
You should know I chose to be alone  
**G#m** **F#**
