

River Lea

Adele

B **C#**
Everybody tells me it s about time that I moved on
D#m **G#**
And I need to learn to lighten up and how to be young!
B
But my heart is a valley...
C#
It s so shallow and man made
D#m
I m scared to death if I let you in that
G#
you ll see I m just a fade
B **C#**
Sometimes I feel lonely in the arms of your touch
D#m **G#**
But I know that s just me cause nothing ever is enough

B **C#**
When I was a child I grew up by the River Lea
D#m **G#**
There was something in the water, now that something s in me
B **C#** **D#m**
Ohhhhh I can t go back, but the reeves
G#
are growing out of my fingertips
B **C#** **G#**
I can t go back to the river

D#m **C#**
But it s in my roots, it s in my veins
B
It s in my blood
D#m **C#** **G#**
And I stain every heart that I use to heal the pain
D#m
It s in my roots
C#
It s in my veins
B **D#m**
It s in my blood and I stain every heart that
C# **G#**
I use to heal the pain

D#m
So I blame it on the River Lea
C# **G#**
The River Lea, the River Lea

D#m

Yeah I blame it on the River Lea

C#

G#

The River Lea, the River Lea

D#m

So I blame it on the River Lea

C#

G#

The River Lea, the River Lea

D#m

Yeah I blame it on the River Lea

C#

The River Lea, the River Lea

(Repete música)
