

River Lea

Adele

**B** **C#**  
Everybody tells me it s about time that I moved on  
**D#m** **G#**  
And I need to learn to lighten up and how to be young!  
**B**  
But my heart is a valley...  
**C#**  
It s so shallow and man made  
**D#m**  
I m scared to death if I let you in that  
**G#**  
you ll see I m just a fade  
**B** **C#**  
Sometimes I feel lonely in the arms of your touch  
**D#m** **G#**  
But I know that s just me cause nothing ever is enough

**B** **C#**  
When I was a child I grew up by the River Lea  
**D#m** **G#**  
There was something in the water, now that something s in me  
**B** **C#** **D#m**  
Ohhhhh I can t go back, but the reeves  
**G#**  
are growing out of my fingertips  
**B** **C#** **G#**  
I can t go back to the river

**D#m** **C#**  
But it s in my roots, it s in my veins  
**B**  
It s in my blood  
**D#m** **C#** **G#**  
And I stain every heart that I use to heal the pain  
**D#m**  
It s in my roots  
**C#**  
It s in my veins  
**B** **D#m**  
It s in my blood and I stain every heart that  
**C#** **G#**  
I use to heal the pain

**D#m**  
So I blame it on the River Lea  
**C#** **G#**  
The River Lea, the River Lea

**D#m**

Yeah I blame it on the River Lea

**C#**

**G#**

The River Lea, the River Lea

**D#m**

So I blame it on the River Lea

**C#**

**G#**

The River Lea, the River Lea

**D#m**

Yeah I blame it on the River Lea

**C#**

The River Lea, the River Lea

(Repete música)
