

Brother

Adelitas Way

Intro: **A G D A**

A **G**
I ve got a lot that s on my mind today
D **A**
But every man got a story to tell
G
My brother watched his life go down the drain
D **A**
His addiction took control of him
G
Everytime I see my brother look at me
D **A**
I turn my head, to me he s dead

G
So much pressure, so much pain
D
Everything to lose and nothing to gain
A
But I m going on again
G
It s everything that he ever dreamed
D
Says things he doesn t mean
A
But I m going on again

Solo: **A G D A**

G
Please my mother don t cry today
D **A**
I know it s hard cause he s your first born son
G
Don t blame yourself for the decisions made
D **A**
I think it s time, we just let him go

G
So much pressure, so much pain
D
Everything to lose and nothing to gain
A
But I m going on again
G
It s everything that he ever dreamed

D

Says things he doesn't mean

A

But I'm going on again

F#

All the times you lie

A

Tell me that you changed

But you never did

Bsus4

You just walked away

A

It always stays the same

F#

Every time you cried

A

And you felt afraid

Look at what you did

Bsus4

Now just walk away

A

You'll never change

So much pressure, so much pain

D

Everything to lose and nothing to gain

A

But I'm going on again

G

So much pressure, so much pain

D

Everything to lose and nothing to gain

A

But I'm going on again

G

So much pressure, so much pain

D

Everything to lose and nothing to gain

A

But I'm going on again

G

It's everything that he ever dreamed

D

Says things he doesn't mean

A

But I'm going on again

Solo 2: **A G D A**
