Adem " Statued - Chords

I couldn't find any chords only for this gentle song. So this is my first novice attempt at figuring chords out from a finger-style tune. It may not be perfect, but it should work if you want to just strum this great folk song. Please let me if works or not. ~Jack jacknchris@gmail.com

C **F C**
watch the dark clouds bruising
C **F C**
bellies flushed with water
F **G**
they swell above your heads

C **F C**
pull your coats around you
C **F C**
feel the wind cut through them
F **G**
scraping at your bones

C **F**
hold her in the falling rain
C **F**
hold him like you've never done
C **F C**
let this be a moment
F **C**
that you won't forget
F **C**
that you won't forget
F **C**
that you won't forget
G **F**
all your life til you die

C **F C**
statued close together
C **F C**
a precious, tender moment
F **G**
a solemn, sombre time

C **F**
hold her in the falling rain
C **F**
hold him like you ve never done
C **F C**
let this be a moment
F **C**
that you won t forget
F **C**
that you won t forget
F **C**
that you won t forget
