crap.)

Tabbed by Freaking Out

This is one of my favourite songs on the Planets album, so i decided to tab it myself.

Hope you enjoy it. The chorus im not sure about, but the rest sounds 100% to me.

This song is really easy to play...but yeah...enjoy!

Intro

 D-555555-888888-10-10-000000-33333333-----|

Distortion, with little chorus
 And reverb Is the effects I use
 For this song, but you can mess
 around with them to what suits
 best.

Verse/Main Riff

```

Thats all of it. It is a really easy song, and shouldn t be hard for you to play. I have played it with the song many times, and it sounds great! Expect More Planets tabs to come!
