

After The Rain
Adhitia Sofyan

[Intro]

G

[Verse]

G

Bm

If I could bottled the smell of the wet land after the rain

Am **D**

Iâ€™d make it a perfume and send it to your house

G **Bm**

If one in a million stars suddenly will hit satellite

Am **D**

Iâ€™ll pick up some pieces, theyâ€™ll be on your way

C **G**

In a far land across

C **G**

Youâ€™re standing at the sea

C **G**

Then the wind blows the scent

Am **D**

And that little star is there to guide me

[Chorus]

G **C**

If only I could find my way to the ocean

Am **D** **G**

Iâ€™m already there with you

G **Bm**

If somewhere down the line., we will never get to meet

Am **D** **G**

Iâ€™ll always wait for you after the rain
