Verse 1:

**Fsus2**

Times like these when the temperatures freeze

**Bbsus2**

And the little girls they want you

**Fsus2**

Times when it s hard to find

**Bbsus2**

A parking spot on this avenue

**Fsus2**

So you shoot in the dark

And you re blessed with a spark

**Bbsus2**

Right in front of you

**Fsus2**

So you continue the journey

**Bbsus2**

You investigate all possible possibilities

Chorus:

**C**

**Bb**

Soon I m gonna leave my rags n run

**C**

**Bb**

I m gonna leave my rags n run

**C**

And the big times they re talking about

**Bb**

Well now I know

**F**

They have not even yet begun

**Bb**

Have not even yet begun

**F**

Yet begun

**Bb**

mmmmmm...

Verse 2:

**Fsus2**

Times like these when the temperatures freeze

**Bbsus2**

And the little girls they want you

**Fsus2**

Times when it s hard to find

**Bbsus2**

Anything or anyone close to you

**Fsus2**

There is no room service

No sign of food in the kitchen

**Bbsus2**

And the luggage is gone

**Fsus2**

We need more strong mommas in this town

**Bbsus2**

Too much monkeys putting each other down

Chorus:

**C**

**Bbsus2**

Soon I m gonna leave my rags n run

**C** **Bbsus2**  
I m gonna leave my rags n run
