

I Left U Cuz I Luft U  
Admiral Radley

[Verse 1]

**G**                    **Em**  
I left you,            cause I loved you  
**Em**                    **D**                    **C**                    **D**  
Roadsigns shot to hell in the night  
**G**                    **Em**  
I left you,            cause I loved you  
**Em**                    **D**                    **C**                    **D**  
Our chariot sits busted and stuck your sun

[Verse 2]

**G**                    **Em**  
I left you,            cause I loved you  
**Em**                    **D**                    **C**                    **D**  
Little tree your too young, to put that make-up on  
**G**                    **Em**  
Yeah, I left you,     cause I loved you  
**Em**                    **D**                    **C**                    **D**  
Now dumb echoes drown out the sounds of love
