       Dm
       Am   E   D
       C   E   Am
       E

Am   **C**
Don t wanna be a part of that scene, I heard
E   **D**
Of the curses with death
      Am   **C**
My life is falling into temporary sin
    E   **D**
Cluster of roses and baby breath
Am   **C**
I been trying and I been buying
  E   **D**   **Am**
And I ve been lying and I ve been crying
C   **E**   **Am**   **E**
And that s how I know

Am
All of the legends
  C
Die at twenty seven
   E
They all went to heaven
D
All of the legends
Am
All of the legends
   C
Since I was eleven
E
All went to heaven
D
All of the legends
Am   **C**
I been trying and I been buying
  E   **D**   **Am**
And I ve been lying and I ve been crying
C   **E**   **Am**
And that s how I know
E
That I don t wanna go

```
Am
All of his dreams
         C
Are in the fast lane scene
        E               D
These habits go so fast, he can t see
   Am
Baby lost his mind
     C
Nobody gives in time
         E
The drugs are worth it
      D
Or so it seems
Am            C
I been trying and I been buying
   E          D          Am
And I ve been lying and I ve been crying
C      E     Am      E
And that s how I know

( Am  C  E  Am  E )

Am                   C
Can t be a part of the broken apart
```

```
        E                 D
Don t wanna know what my mom would say
      Am
Nobody left in this town
             C
Stuck with this permanent frown
          E                 D
I m ending all of this right now today
Am              C
I been trying and I been buying
    E               D            Am
And I ve been lying and I ve been crying
C         E      Am
And that s how I know
