

Classic

Adrian Gurvitz

A **C#m**
Gotta write a classic, Gotta write it in an attic
D **Bm**
Babe, I m an addict now, An addict for your love

A **C#m**
I was a stray boy, And you was my best toy
D **Bm**
Found it easy to annoy you, But you were different from the rest
A **C#m**
And I loved you all the wrong ways, Now listen to my say
D **Bm**
If it changed to another way, Would the difference make it
A **E**
Would it be a classic, I ve got to send it right away

A
Gotta write a classic (I m so low and I m out of control without your love)
C#m

D **Bm**
Babe, I m an addict now (Deep down I know you never here a word I say)
E
And I m an addict for your love
Got to write it down and send it right away
