Adventure Time

G **C**
Daddy, why did you leave me?
D7 **G**
You created me, so don't you wanna see me?
G **C**
Daddy why did you make me?
D7
If you're not gonna take me
G
to get a burger and shakey?

G
My cursed blood is your cursed blood,
B7
come back and be my bud,
Em
I can count your visits on my fingertips,
C7
come back and give me presents from your business trips.

G
Daddy, why did you father me?
B7
If all you wanna do is bother me?
Em
Don't you know that I love you,
C7
and I only wanna see more of you?

G **C**
Daddy, why did you eat my fries?
D7 **G**
I bought them, and they were mine.
G
But you ate them,
C
you ate my fries,
D7 **G**
and I cried, but you didn't see me cry.
