

Acta Song

Aequitas

Strophe:

Bm G A Bm

Bridge:

G A F# F#7

Refrain:

G A Bm Bm

Show me a state
Where nobody sees
Democracy turn into
Tyranny

Show me a state
Celebrating defeat
Of freedom and
Prosperity

Stop turning the globe
There ain t such a thing
Except the son of a bitch
You re not living in

You can t call this life
It is time to rise

Rise
And make a change
Rise
And take the chance
Rise
And raise your voice
Rise
While you re still free and have a choice

|Permitted by Aequitas himself :)|
