I work with dedication  
**E5** **F5** **C5**  
And I love spreading tar  
**E5** **F5** **C5**  
I decided to live in a mobile home  
**E5** **F5** **C5**  
So I wouldn't leave my steambaby alone

**B5** **E5** **F5** **C5** **B5** **E5**  
[Grunting]  
**F5** **C5**  
Don't need no companionship  
**E5** **F5** **C5**  
I have her vibrating chair  
**E5** **F5** **C5**  
I polish the machine every night and day  
**E5** **F5** **C5**  
To make sure her powers always there

**B5** **E5** **B5** **E5**  
So in an act of supreme love I sacrificed my life  
**B5** **E5** **B5** **E5**  
I want to feel her total weight rollin' over me, blowin' my mind
