

Another Last Goodbye  
Aerosmith

INTRO: **Em A Em A**

**G D/F#**  
Hey give my heart a break  
**Em C**  
You say it s you that loves me more  
**F**  
And then you kick and slam your door.  
**G D/F#**  
Hey while you re on your way  
**Em C**  
I want to thank you for the ride  
**Am Bm**  
And pull the thorn out of my side  
**C**  
And call me your baby  
**D/F#**  
I kissed away the tears you cried  
**Em**  
And then you go and leave me  
**D/F#**  
Pissed off and alone  
**C**  
It s all about your sweet thing  
**F**  
Or maybe it s the devil in your eyes  
**A5 B5 C5 C#5 D5**  
Yeah, what it takes to make this love survive  
**Em A**  
Another last goodbye  
**Em A**  
Another last goodbye

(essa parte repetem-se os mesmos acordes)

You crash and burn  
with the pages turned  
in your black book full of names  
and then you throw your frozen heart  
out in somebody else s flames  
and it s a low down dirty, dirty shame.  
don t let this love slip through the tracks  
i miss your claw marks on my back

And call me your baby  
i kissed away the tears you cried

and then you go and leave me  
pissed off and alone  
yeah, it s all about your sweet thing  
or maybe it s the devil in your eyes  
yeah, what it takes to make this love survive

**Em A**

**D/F#**
