Just Feel Better

Santana

(Santana ft. Steven Tyler)

Intro Bbm

Bbm Db
She said I feel stranded

And I can't tell anymore
If I'm coming or I'm going
It's not how I planned it
I got a key to the door
But it just won't open
I know, I know, I know
Part of me says let it go
That life happens for a reason
I don't, I don't, I don't
Cause I never went before
But this time, this time,
I'm gonna try anything to just feel better
Tell me what to do
You know I can't see through the haze around me
And I'll do anything to just feel better
And I can't find my way
God, I need a change
And I'll do anything to just feel better
Any little thing to just feel better
She said I need you to hold me
I'm a little far from the shore
And I'm afraid of sinking
You're the only one who knows me
And who doesn't ignore
That my soul is weeping
I know I know I know

Part of me says let it go
