Lay It Down
Aerosmith

```
 Am            F          Dm        G
Ruby red, her lips were on fire
 Am            F          Dm      G
Do me with a kiss if you please
 Am            F          Dm        G
Tell me what your sweet heart desires
 Am              F        Dm      G
Tell he how you want it to be

               Am          F       Dm        G
 Cause if it s love you want then you won t mind
          Am    F          G
A little tenderness that sometimes is so hard to find

        C
(Lay it down)
        F              Am   G
Lay it down - make it alright
        C
(Lay it down)
        F              Am    G
Lay it down - hold you so tight
         Dm
(Lay it down)
        Em                 F
Ohh, before a moment light
              Bb  Am  G
Is goin  to be alright
           C
Ohh - lay it down
        Fm             C
Come and lay it down tonight

 Am            F          Dm        G
Tell me how you feel when we make love
 Am            F          Dm      G
Tell me is it real or just make believe
 Am            F          Dm        G
You will never know what you re made of
 Am            F        Dm        G
 Till you open up your heart to receive

              Am        F       Dm        G
 Cause if the love you gots that same old crime
              Am    F      Dm
We re talkin  tenderness that s so hard to find
```

```
           G
And I m here to remind you

           C
(Lay it down)
           F              Am    G
Lay it down - make it alright
           C
(Lay it down)
           F              Am    G
Lay it down - hold you so tight
     Dm
(Lay it down)
         Em                    F
Yeah, before a moment light
                Bb  Am   G
Is goin  to be alright
                   C
Ohh - lay it down
           Fm              C
Come and lay it down tonight

        Bb
You remember the times
        Am
Talkin  in your sleep
        Ab                          C
With a body full of promise you never gonna keep
        Bb
From your best friend s lover
        Am
You dreamt to find a man
             Ab                    C
When you re pullin  under covers the voices in your head sayin
        Bb          Am
If you want it bad
            G
You don t never let it slip away

              Am          F        Dm     G
 Cause if it s love you want then tenderness

           C
(Lay it down)
           F              Am    G
Lay it down - make it alright
           C
(Lay it down)
           F              Am    G
Lay it down - hold you so tight
           Dm
```

```
(Lay it down)
        Em              F
Ohh, before a moment light
             Bb  Am  G
Is goin  to be alright
              C
Ohh - lay it down
        Fm            C
Gonna lay it down tonight
           Fm            C
Before I come around tonight
        Fm          C
You gotta lay it down

----------------

Am   [x 0 2 2 1 0]
F    [1 3 3 2 1 1]
Dm   [x 0 0 2 3 1]
G    [3 2 0 0 3 3]
