Intro/Verse

(repeat x4, on 4th time add extra note)

```

e |-----|-----|
B |-----|-----|
G |---10---10---9---9-----|-----|
D |---12---12---10---10---7-----7-----|---8-----|
A |-----8-----8-----|-----|
E |-----6-----|-----|

```

Ladies, let me tell you...

Bridge/Whatever You Call It

(play twice) (let ring)

```

e |--1--1--1---0--0--0---0-----|
B |--2--2--2---1--1--1---3-----| Back into verse...
G |--3--3--3---2--2--2---2-----|
D |--3--3--3---2--2--2-----|
A |--1--1--1---0--0--0-----|
E |-----|

```

The solo is played on the e,B,G strings at around about the 12th fret down to the 9th? It s a bit haphazard, and difficult to follow, but using the following fingering you should be able to come up with something similar...

E A D G B e

```

-----
1 1 1 9th fr.
-----
2 -| lift/press these fingers at
-----|
the appropriate points to get
3 -|----- a reasonable version of the solo--|
-----|
little futher into the solo, slide
4 -| about 4 frets up un the neck (12) - I think!

```

If anyone has a more accurate tab than this, let me know!

The song proceeds verse/chorus etc.

The end part (best bit IMHO) is :

(strum pretty loosely - listen to the record, you ll get the idea)

```
e |-----1--1--1-----5--5--5-----8--8--8-----|
B |-----2--2--2-----6--6--6-----8--8--8-----|
G |-----3--3--3-----7--7--7-----9--9--9-----|
D |-----3--3--3-----7--7--7-----10--10--10-----|
A |-----1--1--1-----5--5--5-----10--10--10-----|
E |-----8--8--8-----|
```

...you be sweet, be sweet, be sweet...
