Here Are The Lyrics:

Lets admire the pattern forming  
Murderous filigree  
I m caught in the twisting of the vine  
Go ascend with ivy, climbing  
Ignore and leave for me the headstone crumbling behind  
I cant help my laughter as she cries  
My soul brings tears to angelic eyes  
Lets amend the classic story, close it so beautifully,  
I ll let animosity unwind  
Steal away the darkened pages, hidden so shamefully  
I ll still feel the violence of the lines  
I cant stand my laughter as they cry  
My soul brings tears to angelic eyes  
And miles away my mother cries  
Omnipotence, nurturing malevolence.
