

Veronica Sawyer Smokes

AFI

Use Barre Chords or tune half step down(i.e. **Eb Ab Db Gb Bb Eb**) to use open chords

The intro is the same as verse

Verse:

Eb

Uh-oh, my story s not

Cm

The oldest of its kind

Gm

I was too touched to see you clearly

Bb

Far too young to realize

I, I had loved so dearly

You, whose world I had designed

But the sweet smoke came with mirrors

And it brought tears to my wide eyes

Pre-Chorus

Ab

Bb

Dying just to see you

Ab

Bb

Dying since I misconstrued

Chorus:

Eb

Bb

Your blue heart, black eyes

Ab

Cm

Bb

Fading, falling, words I won t forget

Eb

Bb

Ab

I died right when I saw you

Cm

Bb

While you shared that cigarette

The solo uses the same chords as the verse

Listen for to get the timing right, I placed it as close as I could to where the switches occur.
