2. Goodbye to my friends at home

Goodbye to people I trusted

I got to go out and make my way

I might get rich, you know, I might get busted

But my heart keeps calling me backwards

As I get on the 707

Riding high I got tears in my eyes

You know you ve got to go thru hell before you get to heaven

3. Touching down in New England town

Feel the heat coming down

I got to keep on, keeping on

You know the big wheel keeps on spinning around

But I m going with some hesitation

You know that I can surely see

That I don t want to get caught up in any of that

Funky shit going down in the city

Carry me to my home

Big old jet airliner

Cos it s there that I belong
